LOCAL RULES:

1. A **No Play Zone** is the area defined by Red Stakes with Green Caps. When a ball is in a *no play zone*, the ball must not be played as it lies, and relief must be taken from interference by the *no play zone* under Rule 17.1e.
2. **Sand paths and transition areas** of sand are part of the *general area* and not *bunkers*. Therefore, relief is not afforded to a player whose ball comes to rest in these areas. The player may ground their club, take practice swings and play the ball as it lies.
3. **Embedded Ball Rule (16.3):** In the *general area*, a ball embedded in its own pitch-mark in the ground may be marked, lifted, (without penalty) cleaned and dropped as near as possible to where it lay, but not nearer the hole (within one club-length). A player does not receive relief from an embedded ball in sand areas or transition areas due to the exception under Rule 16.3a(1).
4. **Immovable Obstructions Close to Putting Green:** Relief may be taken under Rule 16.1 when a player's ball is within 2 club-lengths of an *immovable obstruction* that is within 2 club-lengths of the *green* and the *immovable obstruction* is in the player's intended line of play. Both the ball and immovable obstruction must be in part of the *general area* cut to fairway height or less.
